Regarding Amendment (FEC-60470) to our Pre General Election filing (FEC-60459) for the Committee to Reelect Congressman Chris Smith (C00096412):

There was a typographical error in inputting the contribution from Sang Van Ha. His check number 541 was placed in the amount column instead of the \$30 he actually contributed. The amendment no longer shows Mr. Ha as contributing more than \$200 and our ending cash on hand has been lowered as a result.
